

EV0line® Square80

EVoline® Square80

Many desks have pre-made openings for cables with a diameter of 80mm. EVoline Square80 fits into this standard opening combining a power socket, a USB charging socket, and a network connection.

In its Qi version EVoline Square80 offers an additional inductive charging surface integrated into the cover, for charging all Qi capable mobile phones per WPC Standard 1.1.
